XINPUGUANG brand: In 2019 I bought 12 X 100W Solarpanels from Aliexpress / XINPUGUANG. Dealer is ok, neat product, well packed, 75\$/pc. These panels have cells with ...

I currently plan to install 4 x 100W panels on my small motorhome, but would like the option to add a fifth 100W panel in the future. The wire runs aren't very long. Would it be ...

I currently have two 100w solar panels connected in parallel and just got two more that I need to add in parallel. I just had surgery and am not thinking straight but only have one ...

This may be a dumb and very basic question. I see everyone using multiple 100 watt solar panels. Is there any advantage to using four 100 watt panels over two 200 watt ...

I am planning on going with 4 100W panels instead of 2 200W panels on my travel trailer, because I think they handle shade better then 2 panels do. (I have not decided whether ...

Using 100 watt panels only. These can be connected is series or parallel combinations. It's practical to have an even number of panels. Assuming 4 off 100 watt panels ...

I am installing rooftop solar system on my 21" travel trailer. I know that it's ideal to have 2 pairs of panels, and connect them in series and then in parallel. Unfortunately, I only ...

When choosing a 100-watt solar panel, consider factors such as efficiency, durability, and your specific power needs. With proper installation and maintenance, these ...

Beginner w/8 100W 12v panels in series to chg 2 LiPo4 12v batts: 60Amp MMPT or PWM for shade?

I have two "100 Watt 12 Volt Flexible Monocrystalline Solar Panels" mounted in parallel, on my camper van, on a "Renogy Adventurer 30A Solar Charge Controller". I plan to ...

The WindyNation 100-Watt x 12-Volt Monocrystalline Solar Panel is a great option to start producing clean, free power from the sun. Install your solar panel on your ...

Excluding the panel cost, excluding mounting cost, whats the pros or cons of four 100w panels, VS one, 400w panel? This would be for a small stand alone system using a ...
