SummaryLists of ICS power plantsOverviewGuide to the listsLists of SCS power plantsPlanned power plants until 2025Cross border transfer of electricityA complete list for all Ethiopian ICS power plants was published by the Ethiopian Electric Power (EEP) in September 2017. The average capacity factor of all the shown Ethiopian hydropower plants was at 0.46 in the year 2014/15, an average value from the worldwide perspective. In 2016/17, the average capacity factor was well below the 2014/2015 value. The reason is simple: the power grid got plenty of power g...
