Designed entirely in-house, the X-BESS 8 features a liquid-cooled, three-level inverter topology that achieves 99.5% efficiency.

Bulgaria-based storage manufacturer IPS has released a new utility-scale BESS with a rated capacity of 8.1 MWh and an integrated 4 MW inverter. The X-BESS 8 system is ...

SERMATEC has launched a 5.1MW/17.8MWh energy storage system in Bulgaria, enhancing solar power efficiency and addressing overproduction challenges faced by local ...

Three years ago, SCU deployed the country's first 40ft containerized energy storage system at a solar farm in Bulgaria, setting a ...

Designed to address the rising demand for large-scale, efficient storage solutions, the system is housed in a 20-foot container and incorporates liquid cooling for thermal ...

Bulgaria-based storage manufacturer IPS has released a new utility-scale BESS with a rated capacity of 8.1 MWh and an integrated 4 ...

Three years ago, SCU deployed the country's first 40ft containerized energy storage system at a solar farm in Bulgaria, setting a precedent for large-scale industrial and ...

Highjoule's 5MWh liquid-cooled energy storage system offers a reliable, efficient, and scalable solution for commercial, industrial, and renewable energy sectors.

Website: <https://drakoulis.eu>

Powered by advanced 3.2V 280Ah LFP batteries, our system is not only safe and reliable but also boasts a conversion efficiency of up to 99% and a design life exceeding 15 ...

Bluesun and the Nepedoni team introduced a Liquid Cooling Energy Storage Container Project in Bulgaria, featuring high-efficiency thermal management and modular design to support ...

This 20ft collapsible container solution features 60kW solar capacity and 215kWh battery storage. Built with robust 480W modules, it powers extended off-grid missions, from microgrids to rural ...
