Sunly, in collaboration with Metsagrupp, is developing a 16 MW / 32 MWh battery energy storage system (BESS) next to the 45 MW Raba Solar Park in Põlva County, Estonia.

Sunly, in collaboration with Metsagrupp, is developing a 16 MW / 32 MWh battery energy storage system (BESS) next to the 45 MW ...

Recently, Estonia welcomed its largest solar park, capable of powering 35,000 households, now another such step is the development of two battery energy storage systems in Harju County, ...

The cultural heritage of Estonia includes UNESCO-protected sites such as Tallinn's Old Town, Kihnu and Seto community traditions, medieval castles such as ...

Estonia's game-changing 400 MWh battery park shocks Europe! 90,000 homes powered, energy independence unlocked. The ...

Tallinn is the capital city of Estonia and a perfect holiday destination if you want to combine modern comforts, medieval charm, and coastal vibes. Check out our Tallinn travel ...

Baltic Storage Platform, a joint venture (JV), has broken ground on two new 200MW/400MWh battery energy storage systems (BESS) in Estonia.

The Rummu battery energy storage system is co-located with a 20-MW solar plant in Harju County, which Energy put into operation in 2023. The solar facility was one of the ...
