I had always understood "there's no such thing as a free lunch" as an expression to demonstrate the economics concept of opportunity cost - whereby even if the lunch is fully paid for, one loses ...

SolarPower Europe and Greenpeace will work to ensure that Ukraine's reconstruction creates quality employment, safeguards the country's energy security, and ...

A report by the International Energy Agency (IEA) recommends three strategies to accelerate the deployment of distributed ...

A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?

If so, my analysis amounts to a rule in search of actual usage--a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over ...

A report by the International Energy Agency (IEA) recommends three strategies to accelerate the deployment of distributed solar and battery energy storage systems (BESS) in ...

I want to make an official call and ask the other person whether he is free or not at that particular time. I think asking, "Are you free now?" doesn't sound formal. So, are there any ...

Together, we form a professional community of more than 9,000 investors, engineers, experts, scientists, students and entrepreneurs who are building the new energy ...
