What is a solar tile manufacturer?

As a solar tile manufacturer, we offer innovative solutions to meet your solar product needs. Our solar tiles integrate advanced solar cell technology and can be a direct replacement for traditional tiles as part of a building's roof, providing clean, renewable energy for your home.

Are autarq solar roof tiles aesthetic?

Aesthetic. Get the look and the function. Autarq solar roof tiles look just like regular roof tiles and integrate seamlessly into the design of your roof. Good to know: The weight of our solar roof tiles is similar to that of the original tiles,so the roof's load-bearing capacity is not affected. Explore the options. Durable.

Are autarq solar roof tiles bonded?

During production,Autarq solar modules are bonded inseparably with original roof tiles. We only use roof tiles from renowned manufacturers: That makes Autarq solar roof tiles just as durable as regular tiles. With a 25-year performance guarantee,an Autarq solar roof will generate clean energy to supply your home for the next generation.

What do autarq solar roof tiles look like?

Autarq solar roof tiles look just like regular roof tilesand integrate seamlessly into the design of your roof. Good to know: The weight of our solar roof tiles is similar to that of the original tiles,so the roof's load-bearing capacity is not affected. Explore the options. Durable. 25 years of performance,guaranteed.

We only use roof tiles from renowned manufacturers: That makes Autarq solar roof tiles just as durable as regular tiles. With a 25-year performance guarantee, an Autarq solar roof will ...
