Something I wish I would've thought of is a battery pack for cell phone. When you're out and about, it's next to impossible to find a place to plug in...

A proprietary 8.4V battery pack for the Tokyo Marui M4s, 416s and 417 Recoil Shock models. Requires the use of Marui's Sopmod charger or the adapter included in the AEG box.

Check each product page for other buying options. Carbon emissions from the lifecycle of this product were measured, reduced and offset.
