We help OEMs transition from overseas production to domestic, automated battery assembly. Our mission is to strengthen American manufacturing through scalable, high-output solutions ...

We help OEMs transition from overseas production to domestic, automated battery assembly. Our mission is to strengthen American manufacturing ...

Dragonfly Energy is the leading North American battery manufacturer of high-quality lithium-ion batteries providing energy storage solutions.

We offer high-quality Lithium Battery Pack Assembly Line equipment, including Cylindrical, Prismatic, and Pouch Battery Pack Assembly ...

Turnkey Lithium-ion Battery Manufacturing Complete Lines and Supplier of Lithium-ion Manufacturing Materials. Located in the USA, with our ...

Whether you are seeking battery equipment to replace an aging production line, or simply want to substitute a single piece of machinery, our battery engineers and advanced material experts ...

Detailed info and reviews on 8 top Lithium Ion Battery companies and startups in New York in 2025. Get the latest updates on their products, jobs, funding, investors, founders ...

C4V(TM) is an intellectual property company based in Binghamton, New York with expertise and patented discoveries in Lithium-Ion battery composition and manufacture.

We offer high-quality Lithium Battery Pack Assembly Line equipment, including Cylindrical, Prismatic, and

Pouch Battery Pack Assembly solutions. Maximize efficiency and quality.

The database features companies within the following Li-ion battery supply chain segments as well as support facilities, such as equipment manufacturing and research.

Turnkey Lithium-ion Battery Manufacturing Complete Lines and Supplier of Lithium-ion Manufacturing Materials. Located in the USA, with our network extending to over 15 countries ...

Whether you are seeking battery equipment to replace an aging production line, or simply want to substitute a single piece of machinery, our battery ...

As the world's largest lithium battery intelligent manufacturing turnkey solution provider, LEAD provides turnkey solutions for prismatic cell, ...

As the world's largest lithium battery intelligent manufacturing turnkey solution provider, LEAD provides turnkey solutions for prismatic cell, pouch cell, cylindrical cell, sodium-ion cell and ...

iM3NY offers one of the first US-manufactured cells based on technology developed in the United States. Our proprietary P-Series phosphate-based chemistry provides 10-20% better energy ...
