EK conducted a comprehensive and multi-level test on the 372kWh liquid-cooled smart outdoor cabinet, mainly including mechanical safety, electrical safety, functional safety and other tests.

Liquid-cooled solar battery storage system delivers stable performance ...

372kWh liquid-cooling high Voltage Energy Storage System BESS-372K is a liquid cooling battery storage cabinet with high safety, efficiency, and ...

It integrates a high-voltage LFP battery with a capacity of 372KWh and a power rating of 150KW, making it suitable for both commercial and ...

The 150KW/372KWh Outdoor Cabinet Energy Storage System, made by Huijue Group, is an integrated cabinet enclosure that contains batteries, ...

The 372KWh outdoor cabinet energy storage system adopts an integrated design concept, integrating batteries, battery management system BMS, energy management system EMS, ...

EK conducted a comprehensive and multi-level test on the 372kWh liquid-cooled smart outdoor cabinet, mainly including mechanical safety, ...

This outdoor battery cabinet incorporates advanced liquid cooling technology. With its high level of system integration, it offers easy installation and ...

Designed for industrial and commercial use, the BESS-372K liquid-cooled battery system delivers reliable 372kWh capacity. Featuring virtual synchronous technology and robust safety, it's ...
